## **Philatelic Auctioneers' Standard Terms & Conditions of Sale**

**NOTICE:** Southampton Philatelic Auctions, the Auctioneers, exercise the greatest possible care to ensure that all statements contained in lot descriptions are reliable and accurate and that each item, unless otherwise indicated, is genuine and authentic. The statements, however, are not intended to be and are not to be taken as statements of representation of fact. They are statements of the opinion of the Auctioneers and attention is drawn to Clause 6 below. Certain lots may contain notes, lists, writing up etc. These do not form part of the description and are not to be interpreted as such.

1. The highest bidder of each lot shall be the purchaser thereof. If any dispute arises as to the highest bidder the Auctioneer shall determine the dispute and may put up again and re-sell the lot in respect of which the dispute arises.
2. a. The bidding and advances shall be regulated by and at the discretion of the Auctioneer.  
b. The purchaser of each lot shall at the Sale, if required, (i) give his or her name and address to the Auctioneer and/or (ii) pay into the hands of the Auctioneer, at his discretion, either the whole or part of the purchase money. If any purchaser fails to comply with the foregoing conditions the Auctioneer may put up again and resell any lot in respect of which such failure is made; if upon such re-sale a lower price is obtained than was obtained on the first sale of the lot the difference in price shall be made good by (and a debt due from) the purchaser in default upon the first sale.  
c. Where an agent purchases on behalf of an undisclosed client such agent shall be personally liable for payment of the purchase price to the Auctioneer and for safe delivery of the lot to the said client.
3. a. The Auctioneer reserves the right to bid on behalf of Clients and Vendors but shall not be liable for errors or omissions in executing instructions to bid.  
b. The Auctioneer reserves the right before or during a sale to group together lots belonging to the same Vendor or to split up and/or withdraw any lot or lots.
4. Each lot shall be at the purchaser's risk from the fall of the hammer and must be paid for in full before delivery and must be taken away at his or her expense by a purchaser in the United Kingdom within seven days of the date of sale and by a purchaser overseas within a reasonable time. If any purchaser fails to pay in full for any lot within the said time such lot may at the Auctioneer's discretion be put up for auction again or sold privately: if upon such re-sale a lower price is obtained than was obtained on the first sale of the lot, the difference in price and the expense of such a re-sale shall be made good by (and a debt due from) the purchaser in default upon the first sale.
5. The Auctioneer shall not be liable for any default of the Purchaser or Vendor.
6. a. Unless otherwise indicated each lot is sold as genuine and properly described.  
b. If after the sale the purchaser of a lot shall prove it to be not genuine or wrongly described, the purchaser shall be at liberty to reject the lot provided he or she  
(i) being within the United Kingdom within seven days or being overseas within a reasonable period of time of the date of sale, gives notice in writing to the Auctioneer of intention to question, as the case may be, the genuineness or description of the lot.  
AND  
(ii) within thirty days of the date of sale (or in exceptional circumstances, such longer time as may in the Auctioneer's discretion be allowed for expertising) returns such lot to the Auctioneer.

**NOTE:** The onus of proving a lot to be not genuine or wrongly described lies with the purchaser. Proof of the inability of an Expert Committee to express a definite opinion will not discharge such onus.

- c. No lot may be rejected, if subsequent to the sale, it has been immersed in water marked by an Expert or Expert Committee, or treated by any other process, unless the Auctioneer's strict permission to subject the lot to such immersion, marking or treatment has first been obtained in writing.
- d. Lots stated to contain collections and/or undescribed stamps must be taken with all faults and errors as to numbers (if any) and by reason of the foregoing a purchaser of any such lot shall have no right to reject the same

### Special Conditions

7. Stamps described as having defects are not returnable on account of their condition.
8. Bids from Minors will not be accepted unless accompanied by a full cash deposit or suitable guarantee.
9. The Auctioneers will not be responsible for loss or damage to stamps received inadequately housed or arranged.
10. The Auctioneers reserve the right to refuse admission to and request vacation of the Auction or Viewing Rooms without explanation.
11. Lots purchased on behalf of Postal Bidders will be forwarded by the most practical means at the risk of the Purchaser, who shall bear all charges incurred.
12. Lot descriptions containing the term 'as is' denote that in our opinion the lot contains forgeries, reprints etc. This has been allowed for in the estimate. These lots are not returnable in any circumstances.
13. The placing of a bid will be interpreted as full agreement to the above conditions any other terms which are contained in this catalogue.
14. Where two or more lots are described as similar lots, and are identical in content and value, a bid for one lot will be equally valid for any other similar lot unless instructions are given to the contrary.

### General Notices

The Estimates given reflect our opinion of the current market value (erring often on the low side). Analysis of Realisation listings will show that the majority of lots sell within a small percentage above or below the Estimates, although some lots sell much higher than the Estimate. Unless Vendors specifically request it, no lots will be sold at less than two-thirds of the Estimate.

Unless otherwise indicated Catalogue Values are from current Stanley Gibbons publications. Unsold lots are generally entered in the next suitable auction.

### Postal How to Bid

3. To be successful your bids should be near to or above our estimate.
4. Mail your bids early. In the event of two or more identical bids being received for the same lot, the one posted earliest will be successful.
5. Telephone bids are accepted. Please call Southampton 023 8044 8373. Such bids must be confirmed in writing on the bidding form.
6. Clients may choose one of the following methods of payment (Please tick the appropriate box on the bidding form):  
**Blank cheques.** If you require immediate delivery of your purchases after the Sale we suggest you enclose a signed blank cheque made payable to 'Southampton Philatelic Auctions' and crossed '**Not Negotiable**' for full security. The cheque will be completed for the required amount to cover your purchases. If you are unsuccessful the cheque will be returned to you.

**Pro Forma Invoice.** Successful clients who do not use the method above will be invoiced after the sale. Lots will be dispatched as soon as payment is received.

7. The cost of postage, packing, insurance etc is added to the purchase price of lots. Lots sent overseas are normally dispatched by surface mail, but clients have the option to receive purchases by airmail and are requested to notify us if this is the case.

### Notes For The Guidance Of Vendors

All lots are accepted for sale subject to the terms and conditions herein.

Lots will not be sold for less than TWO-THIRDS of our printed estimate unless vendors specifically request otherwise.

Vendors wishing to place a higher reserve than our estimate must inform us in writing well in advance of the sale.

The Auctioneer reserves the right to refuse any lot for sale without exception.

Payments to Vendors are normally made six weeks after the date of sale. In cases of delay involving overseas customers, we will settle as soon as possible after clearance of invoices.
